

Sonshine Christian High School
P.O. Box, 119,
Iganga, (U).
2nd August, 2016.

To:
The River Valley Community

Dear Sir/Madam,

Ref: Thanks for the grateful support to the school.

On the behalf of S-3 class and on my own behalf, I would like to extend our heart felt gratitude to you for your tireless support to Sonshine Christian High School which absolutely gratified us and the school at large.

We thank you for the laptops and projector you came along with, which boosted our computer laboratory further and even our own skills which are developing every now and then, the Bibles which have enabled those without to access them in the school library, read and get deeply rooted to the word of God, the Books you also brought along some of which we thought we were not going to have in the school library but we really thank you for bothering about our academics and excellency at school and even the lighters which are helping us at night whenever we want to go and ease ourselves.

We really appreciate you and ask the almighty God to bless you abundantly and protect you for all your goodness and we promise to do anything you wish either academically, social or religiously.

I also pray that the Holy spirit of the Lord continues to dwell among you. Amen

Yours gratefully
ALERE JOHN

S-3
