Dear Sir/Madam

RE: APPRECIATION FOR THE HELP YOU OFFERED TO US.

We humbly submit this letter to you with a great joy appreciating for the help you invested in us.

We were glad to receive the scholarstic materials like lighters, laptops, Bibles, projectors and meals for mostly day scholars from you to us which will enable us to improve on our academic performance.

We would like to assure that things are now okay.

May God make your work more productive.

We would beg you to again do that.

May the almighty God bless you

yours faithfully
