Dear River Valley Community Church,

Greetings to you all brethren in our lord Jesus Christ, Did the brethren reach safely from Uganda? Ohh if so glory be to God for those dear ones and their families that remained home.

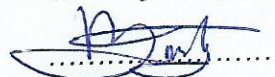

I have written to express my sincere gratitude towards your generosity to KIDS Uganda and Sonshine Christian high school community in particular.

I have been in the computer laboratory today observing how the facility operates with its new installments, most especially the projectors, we could not all fit in there so others watched through the windows and whatever is in there is very overwhelming to all of us here. You should have been here to witness how everybody was covered up in joy amidst excitement. You have put us on the academic map and made us proud of being right here.

This short-hand may not be able to express my sincere gratitude since it can only be a few words in here. But I should say "you're the best thing that has happened to this community in the name of Jesus". You have raised our hopes high and we can see no limits to the length or heights. I am grateful for being part of this community and to witness what happens here.

May God the almighty bless you abundantly in all the faculties of life and continually lead you to improve lives.

Yours faithfully

Mutebi Ronald

Deputy Head teacher
