- When you find a Life Group that you would like join, click the “Join Group” link on that specific group.

The screenshot shows the AccessACS website interface. At the top, there is a navigation bar with links for Home, Help Centers, Report a Problem, More Info, and Sign Out. Below this is a search section with a text input field, a 'Find Groups' button, and an 'Advanced Search' link. A search results grid displays four group listings: Abbott Group, Allen Group, Anderson/Faust Group, and Ashbridge/Olson Group. Each listing includes details such as topic, leader(s), location, childcare availability, and meeting frequency. A 'Join Group' link is positioned at the top right of each group's details box. Two red arrows originate from the top right of the page and point directly to the 'Join Group' links for the Abbott Group and the Allen Group.

- You have completed adding yourself to that Life Group. The leader of that Life Group or our Life Group staff member will contact you soon.
